Safe Parking and Kiss and Drop

A guide for families to help keep students safe before and after school.

Safe Parking

- Only park in designated bays in the main car park.
- Please do not use staff or canteen parking at the front of the school.

Kiss and Drop

- Kiss and Drop is for quick drop-off and pick-up only.
- Parents and carers must remain in the car. Please do not stand or get out of the car.
- Best suited for children from approximately Year 1 and above.
- Children should be able to get in and out independently. If they cannot, please use another option.
- **Mornings: Pull right up to the top of the Kiss and Drop area before children get out.**
- **Afternoons: Please consider whether your child is likely to be there on time and plan your arrival accordingly.**
- Cars waiting at the top will be asked to move on if their child is not there.
- We have 4 designated pick-up bays. Please do not collect your child unless they are waiting at one of these bays.
- **No U-turns in the Kiss and Drop area, please.**

Turner Street and Public Bus Use

Important information to help **keep** students safe and traffic moving smoothly.

Turner Street

- Turner Street is for buses only.
- Please do not use this area to drop children off in the morning or collect them in the afternoon.

Public Bus Service (Green Buses)

- This service is not operated or managed by the school.
- We supervise students as they line up each afternoon and help make sure they are seated where possible.
- Please consider whether your child is confident and independent enough to use the service.
- As parents, please have regular conversations about staying seated, making positive choices, and not playing with iPads or toys on the bus.

Helpful Reminders

- Talk with your child about safe and respectful travel behaviour.
- Use the right drop-off and pick-up option for your child's age and independence.
- Please follow staff directions to help keep everyone safe.

Thank you for helping us keep all students safe.
